The Kia story

Today's global sales trend is toward more efficient cars with real-world versatility. But efficiency doesn't just mean fuel economy, it also means efficiency in packaging, drivability and all round performance. Kia builds over 1.5 million vehicles a year in 13 plants and eight countries. Each model is the embodiment of our positioning - 'The Power to Surprise'. Kia has now been in Australia for eleven years and is committed to a sustainable future offering high levels of quality and reliability, backed by the confidence of an unlimited km 5 year warranty.
