

K2900

KIA MOTORS
The Power to Surprise™

The workhorse

With a payload of 1740kg[†], a powerful CRDi engine and easy shifting 5 speed manual transmission, the K2900 CRDi sets a new standard for light trucks. A low deck height of 0.8m and factory steel** tray length of 3.1m, means the K2900 is practical as well as versatile. Inside, K2900 is a quiet, relaxed environment with creature comforts you'd normally find in a passenger car. Add our 5-year 130,000 kilometre warranty and the K2900 CRDi is the light truck that takes all the hard work out of work.

MECHANICAL SPECIFICATIONS		2.9L Diesel
ENGINE	Engine type	In-line 4 cyl turbo inter-cooled CRDi 16 valve
	Capacity (cm ³)	2902
	Max power (kW @ rpm)	92 @ 3800

The Kia story

Today's global sales trend is toward more efficient cars with real-world versatility. But efficiency doesn't just mean fuel economy, it also means efficiency in packaging, drivability and all round performance. Kia builds over 1.5 million vehicles a year in 13 plants and eight countries. Each model is the embodiment of our positioning – 'The Power to Surprise'. Kia has now been in Australia for eleven years and is committed to a sustainable future offering high levels of quality and reliability, backed by the confidence of a 130,000 km, 5 year warranty.
